Excursion – Regular Haerenga Ngahere

- Our Kaiārahi roopu (3.5-4 year old tamariki) regularly attend a haerenga (excursion) to our maunga Parihaka or to the community ma Our haerenga may take place on a Tues, Weds, Thurs or Friday at 9.00am. We try to take one haerenga each week. We ask for permission for each of the days to ensure that tamariki who do not attend every day get a chance to participate.

Haerenga Ngahere: We walk to the Whareora road entrance to access the Parihaka ngahere or we drive to the Mairpark entrance.

Walking to Whareora: We walk out of Giggles, left onto Cairnfield rd and then right onto Mill road. We walk down Mill road far enough to gain clear vision both ways so we can cross Mill road – approximately 500 metres. From there we walk back up Mill road and turn right into Whareora road. The ngahere entrance we use is signposted on the right-hand side just after walking over the bridge – approx. 750 metres down Whareora road.

Driving to Mairpark: We drive out of the Giggles driveway, left onto Cairnfield road and then right onto Mill road. We turn left at the lights onto Nixon St and round the bend where Nixon St becomes Hatea Drive. We turn left off Hatea drive onto Rurumoki Street and park in the signposted carpark there.

Your tamaiti will only be transported by a staff member or whānau member who holds a full drivers licence – Giggles already holds a copy of staff drivers licences on file and any whānau volunteers (driving) will be asked to provide evidence of their full licence before the haerenga. The kaiako organising the haerenga sight that any vehicles to be used for the haerenga are warranted and registered. Your tamaiti will only be transported in a vehicle using an appropriate child restraint that has been correctly fitted in the vehicle.

On both excursion routes we enter the park and then explore the ngahere for as long as the tamariki are comfortable – sometimes staying for morning tea or sometimes even staying for lunch. We always return to Giggles by 1.00pm.

We will always ensure that at least one of the kaiako on the regular haerenga ngahere holds a current first aid certificate. We ensure that we always maintain a ratio of at least one adult for every four tamariki on our regular excursion. For any activities involving water while on the regular excursion, such as fishing, we will plan ahead and maintain a higher ratio of one adult for every two tamariki. In the event that we catch a tuna (eel), and it cannot be released (humanely), one of the adults will kill the eel. Your tamaiti may be present during this process. We will bring the eel back to Giggles to be prepared for cooking.

Tamariki should wear footwear that they are comfortable walking in.

Our risk assessment for the regular haerenga is attached and we will provide you with an updated risk assessment each wāhanga o te tau (season).

I confirm that I have read the excursion plan above and the risk assessment for the regular haerenga ngahere. I consent to my child's attendance on the regular haerenga ngahere. I understand that on fishing days, catching an eel may also involve one of the adults killing the eel and consent to my tamaiti being present.

I give permission for my tamaiti to travel in a vehicle, in an appropriate child restraint and to be transported by an adult holding a full drivers licence.

I understand that the usual haerenga ngahere excursion ratio will be one adult to every four tamariki in attendance but that on days where fishing or water activities are planned, the ratio will be increased to one adult for every two tamariki attending.

I give permission: Yes/No
